

MARKETPLACE SITE TERMS FOR DELIVERY SERVICE PROVIDERS (“SITE TERMS”)

WELCOME TO WING!

INTRODUCTION: Wing provides a marketplace for on-demand lead generation and related services licensed by us (our **Services**) that enables Delivery Service Providers (**DSPs**) like you to receive and fulfil on-demand requests for delivery services from individuals or companies (**Shippers**). In order to become a DSP or a Shipper, in accordance with these Site Terms, it is necessary to register for and be granted an account as further described in paragraph two of these Site Terms. Our Services include our software, access to our website and app, payment services, and related support services systems, as may be updated or modified from time to time. Our Services are provided through our mobile applications (**DSP App**) and our wing.ae website (collectively, the **Site**).

These Site Terms constitute a legal agreement between you and the Wing contracting party and govern your use of the Site. These Site Terms set out how you may use the Services, so that you can enter into a contract with a Shipper (a **Delivery Services Contract**) to provide the Shipper with delivery services (**Delivery Services**).

YOU ACKNOWLEDGE AND AGREE THAT WING IS A TECHNOLOGY SERVICES PROVIDER AND THAT WING DOES NOT PROVIDE DELIVERY SERVICES.

In order to use our Services and register for an account, you must agree and hereby agree to the terms and conditions that are set forth below and those set out in our **Privacy Policy** (available at <https://www.wing.ae/privacy-policy/>). Upon your execution (electronic or otherwise) of these Site Terms, you and Wing shall be bound by these terms and conditions.

Our Services may be amended from time to time by us.

1. **DEFINITIONS**

Capitalized terms or terms in bold have the meanings given to them in these Site Terms. **DSP**, shall mean **you**, being the party that will create or has created a DSP account in any of the Elected Countries (referred to in paragraph 6) and/or register on the Site. The DSP agrees to be bound by and comply with these Site Terms.

In these Site Terms, the words **Wing, we** or **us** or **our** means, the applicable Wing contracting party(ies) in the applicable Elected Country or any of its Affiliates. The term “**Affiliate**” means, with respect to any entity, any other entity or Person that directly or indirectly controls, is controlled by, or is under common control with that entity. A “**Person**” means any individual, corporation, partnership, limited liability company, governmental authority, association, joint venture, division, or other cognizable entity, whether or not having distinct legal existence.

2. **CREATING A DSP ACCOUNT FOR AN ELECTED COUNTRY**

In order to use the Site or any of our Services to sell Delivery Services, you must create a valid DSP account (**DSP Account**) for each **Elected Country** (being either the United Arab Emirates or the Kingdom of Saudi Arabia) in which you wish to sell your Delivery Services. As a condition of registering for a DSP Account you warrant and represent that you are lawfully permitted, and hold all of the necessary consents, licences and permissions, to conduct business and provide Delivery Services in that Elected Country in accordance with the laws in that Elected Country. We may assist you with creation of a DSP Account in each Elected Country after receiving necessary information from you (and each of your Affiliates if applicable). You must first familiarise yourself with the process set out on the Site and all of the Site Terms. You must not register under a false name and/or impersonate any other DSPs’ log-in credentials, or password(s). Such fraudulent conduct could result in violation of applicable federal, national, regional or international laws and regulations (**Applicable Laws**) in the relevant Elected Country. You agree to provide all relevant information to us while your account is active. When

registering your DSP Account, for each Elected Country, you must provide valid and authentic supporting documents as we may specify (in accordance with Applicable Laws in the Elected Country) and/or as may be requested by us through the Site or your DSP Account.

3. **PASSWORDS**

If you choose, or you are provided with, a user name, password or any other piece of information as part of our security procedures, you must treat such information as confidential. You are solely responsible for maintaining the security of your password. You may not disclose your login details (including your user identification name and password) to any third party (other than third parties authorized by you to use your account in accordance with these Site Terms) and you are solely responsible for any use of or action taken under your password. If your password is compromised, you must immediately change your password and notify us. Without prejudice to our other rights and remedies, we have the right to disable any user identification name or password, whether chosen by you or allocated by us, at any time, if in our reasonable opinion you have failed to comply with any of these Site Terms.

4. **SPECIFIC POLICIES**

By creating a valid DSP Account for each Elected Country, you agree, at the time of creation or registration, to be bound by and comply with these Site Terms, and all policies, protocols guidelines, and other terms incorporated on the Site (which shall be deemed to be incorporated within these Site Terms).
